3.1.3 The face value of a standard postcard, issued from January 1st, 2023, equals to the sum of the price of the postcard CZK 2/pc and the face value of the stamp.

3.1.4 The face value of a postcard for additional prints, issued from January 1st 2023, equals to the sum of the price of the postcard equal to CZK 3/pc and the face value of the stamp.

3.2. Picture cards, with imprinted stamp, mint

3.2.1 The face value of a picture card, issued until December 31st, 2002, equals to the sum of the price of a mint picture card equal to CZK 1.50/pc and the face value of the imprinted stamp.

3.2.2 The face value of a picture card, issued from January 1st, 2003, until December 31st, 2022, equals to the sum of the price of a mint picture card equal to CZK 5/pc and the face value of the imprinted stamp.

3.2.3 The face value of a picture card, issued from January 1st, 2023, equals to the sum of the price of a mint picture postcard equal to CZK 8/pc and the face value of the stamp.

3.3. Picture cards, with special cachet, mint

3.3.1 The face value of a picture card, with special cachet, mint, issued until September 30th, 2003, equals to the sum of the price of a mint picture card sub 3.2. above and the price of the special cachet equal to CZK 0.30/pc.

3.3.2 The face value of a picture card, with special cachet, mint, issued from October 1st, 2003, until August 31st, 2008, equals to the sum of the price of a mint picture card sub 3.2 above and the price of the special cachet equal to CZK 0.50/pc.

3.3.3 The face value of a picture card, with special cachet, mint, issued from September 1st, 2008, until December 31st, 2022, equals to the sum of the price of a mint picture card sub 3.2. above and the price of the special cachet equal to CZK 1/pc.

3.3.4 The face value of a picture card with special cachet, mint, issued from January 1st, 2023, equals to the sum of the price of a mint picture card sub 3.2. and the price of the special cachet equal to CZK 2/pc.

3.4. Commemorative postcards or postcards with special additional prints, mint

3.4.1 The face value of a commemorative postcard or mint postcard with a special additional print, , issued until December 31st, 2023, equals to the sum of CZK 5/pc and the face value of the imprinted stamp.

3.4.2 The face value of a commemorative postcard or mint postcard with special additional print issued from January 1st, 2023, equals to the sum of CZK 8/pc and the face value of the imprinted stamp.

3.5. Postcards with special additional prints and cachet, mint

3.5.1 The face value of a postcard with a special additional print and cachet, mint, issued until September 30th, 2003, equals to the sum of the price of a postcard with a special additional print, mint, sub 3.4 above and the price of the cachet equato CZK 0.30/pc.

3.5.2 The face value of a postcard with a special additional print and cachet, mint issued from October 1st, 2003, until August 31st, 2008, equals to the sum of the price of a postcard with a special additional print, mint sub 3.4 above and the price of the cachet equal to CZK 0.50/pc.

3.5.3 The face value of a postcard with a special additional print and cachet, mint, issued from September 1st, 2008, until December 31st, 2022, equals to the sum of the price of a postcard with a special additional print, mint, sub 3.4 above and the price of the cachet equal to CZK 1/pc.

3.5.4 The face value of a postcard with a special additional print and cachet, mint, issued from January 1st, 2023, equals to the sum of the price of a postcard with a special additional print, mint, sub. 3.4. above and the price of the cachet equal to CZK 2/pc.

4. Stampbooklets

The price value equals to the sum of the face values of the stamps in the booklet.

5. Envelopes with imprinted stamp

5.1. Envelopes with imprinted stamp

5.1.1 The face value of an envelope with imprinted stamp, issued until September 30th, 2003, equals to the sum of the price of the envelope equal to CZK 3.60/pc and the face value of the imprinted stamp.

5.1.2 The face value of an envelope with imprinted stamp, issued from October 1st, 2003, until December 31st, 2022, equals to the sum of the price of the envelope equal to CZK 4/pc and the face value of the imprinted stamp.

5.1.3 The face value of an envelope with imprinted stamp, issued from January 1st, 2023, equals to the sum of the price of the envelope equal to CZK 10/pc and the face value of the imprinted stamp.

5.2. Envelopes with imprinted stamp and picture (or additional print)

5.2.1 The face value of an envelope with imprinted stamp and picture (or additional print) issued until December 31st, 2022, equals to the sum of the price of an envelope with picture (or additional print) equal to CZK 5/pc and the face value of the imprinted stamp.

5.2.2 The face value of an envelope with imprinted stamp and picture (or additional print) issued from January 1st, 2023, equal to CZK 10/pc and the face value of the imprinted stamp.

6. Print sheets of stamps for additional prints

A minimum volume of 1,000 pcs of print sheets (hereinafter referred to as "PS") with a single additional print design, issued until March 14th, 2021, is used to set the price. A minimum volume of 200 pcs of print sheets (hereinafter referred to as "PS") with a single additional print design, issued from March 15th, 2021, is used to set the price. This is to achieve a standard selling price per PS of stamps for additional prints sold at post offices.
Because of different tax rates, the selling price per PS is set as a sum of the following two prices:

6.1. The selling price of a print sheet of stamps with coupons for additional prints, equal to the sum of the face value of stamps in the print sheet (the price is exempted from VAT); and

6.2. The selling price of the additional print per print sheet (including VAT at the statutory rate):

6.2.1 the selling price of additional prints with 1 motif on the main coupons of PS issued until March 14th, 2021, is CZK 60 (inclusive of VAT at the current rate),

6.2.2 the selling price of additional prints with 2-3 motifs on the main coupons to PS issued until March 14th, 2021, is CZK 120 (inclusive of VAT at the current rate),

6.2.3 the selling price of additional prints with 4-9 motifs on the main coupons to PS issued until March 14th, 2021, is CZK 300 (inclusive of VAT at the current rate),

6.2.4 the selling price of additional prints with 1 motif on the main coupons of PS issued from March 15th, 2021, is CZK 100 (inclusive of VAT at the current rate),

6.2.5 the selling price of additional prints with 2-3 motifs on the main coupons of PS issued from March 15th, 2021, is CZK 160 (inclusive of VAT at the current rate),

6.2.6 the selling price of additional prints with 4-9 motifs on the main coupons of PS issued from March 15th, 2021, is CZK 320 (inclusive of VAT at the current rate).

Print sheets of stamps with coupons for additional prints come without any sale discounts.

7. Postcards with imprinted stamp

7.1. The face value of a postcard with imprinted stamp issued until December 31st, 2022, equals to the sum of the face value of the stamp and the price of the carrier equal to CZK 2/pc.

7.2. The face value of a postcard with imprinted stamp issued from January 1st, 2023, equals to the sum of the face value of the stamp and the price of the carrier equal to CZK 10/pc.

2. PHILATELIC GOODS SELLING PRICES

The prices include VAT at the statutory rate.
Only customers that have signed a general sale contract for annual deliveries of new issues of postal stationery and philatelic goods, as specified in the order forms for the running calendar year, qualify for standard sale discounts.
Mathematical rules are used for rounding off the prices. Unless it is mentioned otherwise, rounding applies to the total price.

Postage stamps ("stamp(s)") include also so-called stamps identified with letters. The single-letter symbols stand for the stamp's face value as follows:
A – current price of Ordinary Letter - Standard up to 50 grams, domestic Priority service.
B – current price of Ordinary Letter - Standard up to 50 grams, domestic Economy service;
E – current price of Ordinary Item up to 50 grams, international service - European countries;
Z – current price of Ordinary Item up to 50 grams, international service - non-European countries.
Current price of any of the above services paid by stamps identified with letters is the price valid as of the day of payment, day of receipt in person, or day of delivery to the first carrier, whichever happens first, however not sooner than the day of publication of new issues.

1. Postage stamps, machine cancelled, "handstamp" design

1.1. The price of a postage stamp, printed by rotary printing and offset, issued until September 30th, 2003, equals to 50% of its face value.

1.2. The price of a postage stamp, printed by rotary printing and offset, issued from October 1st, 2003, equals to 50% of its face value. Rounding applies to the selling price per piece.

1.3. The price of a miniature sheet printed by offset, issued from January 1st, 2023, equals to its face value.

1.4. The price of a postage stamp, printed from flat plates or by a combination of offset and printing from flat plates, equals to its face value.

2. Postage stamps, machine cancelled, "roller stamp" design

2.1. The price of a postage stamp, printed by rotary printing and offset, issued until December 31st, 2002, equals to CZK 0.30/pc.

2.2. The price of a postage stamp, printed by rotary printing and offset, issued from January 1st, 2003, until August 31st, 2008, equals to CZK 0.50/pc.

2.3. The price of a postage stamp, printed from flat plates or by a combination of offset and printing from flat plates, issued until September 30th, 2003, equals to 50% of its face value.

2.4. The price of a postage stamp, printed from flat plates or by a combination of offset and printing from flat plates, issued from October 1st, 2003, equals to 50% of its face value. Rounding applies to the selling price per piece.

2.5. The price of a miniature sheet, printed by rotary printing, from flat plates and offset (050010), issued until September 30th, 2003, equals to 50% of its face value.

2.6. The price of a miniature sheet, printed by rotary printing, from flat plates and offset (050010), issued from October 1st, 2003, until August 31st, 2008, equals to 50% of its face value. Rounding applies to the selling price per piece.

2.7. The price of a postage stamp, printed by rotary printing and offset, issued from September 1st, 2008, until December 31st, 2015, equals to CZK 1/pc.

2.8. The price of a postage stamp, printed by rotary printing and offset in small printing sheets max.of 10 stamps or in definitive stamp booklets, issued from January 1st, 2012, equals to 50% of its face value. Rounding applies to the selling price per piece.

3. First day covers (FDCs), single colour or multicolour, expired

3.1. FDCs, issued until December 31st, 2002, expired (3 months after the date of issue)

The price equals to the sum of the price of an FDC equal to CZK 6.50/pc and the face value of the stamp.

3.2. FDCs, with affixed stamp of a face value up to CZK 12 (inclusive), issued from January 1st, 2003, until December 31st, 2013, expired (3 months after the date of issue)

The price equals to the sum of the price of an FDC equal to CZK 10/pc and the face value of the stamp.

3.3. FDCs, with affixed stamp of a face value from CZK 12, issued from January 1st, 2003, until December 31st, 2013, expired (3 months after the date of issue)

The price equals to the sum of the price of an FDC equal to CZK 7/pc and the face value of the stamp.

3.4. FDCs, with affixed stamp of a face value up to CZK 25 (inclusive), issued from January 1st, 2014, until December 31st, 2015, expired (3 months after the date of issue)

The price equals to the sum of the price of an FDC equal to CZK 14/pc and the face value of the stamp.

3.5. FDCs, with affixed stamp of a face value from CZK 25, issued from January 1st, 2014, until December 31st, 2015, expired (3 months after the date of issue)

The price equals to the sum of the price of an FDC equal to CZK 11/pc and the face value of the stamp.

3.6. FDCs, with affixed stamp of a face value up to CZK 35 (inclusive), issued from January 1st, 2016, until December 31st, 2022, expired (3 months after the date of issue)

The price equals to the sum of the price of an FDC equal to CZK 16/pc and the face value of the stamp.

3.7. FDCs, with affixed stamp of a face value from CZK 25, issued from January 1st, 2016, until December 31st, 2022, expired (3 months after the date of issue)

The price equals to the sum of the price of an FDC equal to CZK 14/pc and the face value of the stamp.

3.8. FDCs, issued from January 1st, 2023, expired (3 month after the date of issue)

The price equals to the sum of the price of an FDC equal to CZK 22/pc and the face value of the stamp.

4. Souvenir sheets, without stamps or imprints, clean

4.1. The price per sheet equals to CZK 2/pc.

5. Souvenir sheets, with stamps and first day cover handstamps

5.1. The price equals to the sum of the price per sheet sub 4.1. above and the face value of the attached stamps.

6. Postcards, single colour or multicolour, machine cancelled

6.1. Standard postcards or postcards for additional prints, machine cancelled

6.1.1 The price of a standard postcard or postcard for additional prints, issued until September 30th, 2003, machine cancelled, equals to the sum of the price of a standard postcard or postcard for additional prints, mint (equal to CZK 0.70/pc plus the face value of the stamp) and the cancellation price equal to CZK 0.30/pc.

6.1.2 The price of a standard postcard or postcard for additional prints, issued from October 1st, 2003, until August 31st, 2008, machine cancelled, equals to the sum of the price of a standard postcard or postcard for additional prints, mint (equal to CZK 1/pc plus the face value of the stamp) and the cancellation price equal to CZK 0.50/pc.

6.1.3 The price of a standard postcard or postcard for additional prints, issued from September 1st, 2008, until December 31st, 2022, machine cancelled, equals to the sum of the price of a standard postcard or postcard for additional prints, mint (equal to CZK 1/pc plus the face value of the stamp) and the cancellation price equal to CZK 1/pc.

6.1.4 The price of a standard postcard, machine cancelled, issued from January 1st, 2023, equals to the sum of the price of a standard postcard, mint (equal to CZK 2/1 pc plus the face value of the stamp) and the cancellation price equal to CZK 2/pc.

6.1.5 The price of a postcard for additional prints, machine cancelled, issued from January 1st, 2023, equals to the sum of the price of a postcard for additional print, mint (equal to CZK 3/pc plus the face value of the stamp) and the cancellation price equal to CZK 2/pc.

6.2. Picture cards, with special cachet, machine cancelled

6.2.1 The price of a picture card, issued until December 31st, 2002, machine cancelled, equals to the sum of the price of a mint picture card (equal to CZK 1.50/pc plus the face value of the stamp), the price of the special cachetequal to CZK 0.30/pc, and the cancellation price equal to CZK 0.30/pc.

6.2.2 The price of a picture card, issued from January 1st, 2003, until September 30th, 2003, machine cancelled, equals to the sum of the price of a mint picture card (equal to CZK 5/pc plus the face value of the stamp), the price of the special cachetequal to CZK 0.30/pc, and the cancellation price equal to CZK 0.30/pc.

6.2.3 The price of a picture card, issued from October 1st, 2003, until August 31st, 2008, machine cancelled, equals to the sum of the price of a mint picture card (equal to CZK 5/pc plus the face value of the stamp), the price of the special cachetequal to CZK 0.50/pc, and the cancellation price equal to CZK 0.50/pc.

6.2.4 The price of a picture card, issued from September 1st, 2008, until December 31st, 2022, machine cancelled, equals to the sum of the price of a mint picture card (equal to CZK 5/pc plus the face value of the stamp), the price of the special cachet equal to CZK 1/pc, and the cancellation price equal to CZK 1/pc.

6.2.5 The price of a picture card issued from January 1st, 2023, machine cancelled, equals to the sum of the price of a mint picture card (equal to CZK 8/pc plus the face value of the stamp), the price of the special cachet equal to CZK 2/pc and the cancellation price equal to CZK 2/pc.

6.3. Commemorative postcards or postcards with special additional prints, machine cancelled

6.3.1 The price of a commemorative postcard or postcard with a special additional print, issued until September 30th, 2003, machine cancelled, equals to the price of a commemorative postcard or postcard with a special additional print, mint (equal to CZK 5/pc plus the face value of the stamp) and the cancellation price equal to CZK 0.30/pc.

6.3.2 The price of a commemorative postcard or postcard with a special additional print, issued from October 1st, 2003, until August 31st, 2008, machine cancelled, equals to the price of a commemorative postcard or postcard with a special additional print, mint (equal to CZK 5/pc plus the face value of the stamp) and the cancellation price equal to CZK 0.50/pc.

6.3.3 The price of a commemorative postcard or postcard with a special additional print, issued from September 1st, 2008, until December 31st, 2022, machine cancelled, equals to the price of a commemorative postcard or postcard with a special additional print, mint (equal to CZK 5/pc plus the face value of the stamp) and the cancellation price equal to CZK 1/pc.

6.3.4 The price of a commemorative postcard or postcard with a special additional print, issued from January 1st, 2023, machine cancelled, equals to the price of a commemorative postcard or postcard with a special additional print, mint (equal to CZK 8/pc plus the face value of the stamp) and the cancellation price equal to CZK 2/pc.

6.4. Postcards with special additional prints and cachet, machine cancelled

6.4.1 The price of a postcard with a special additional print and cachet, issued until September 30th, 2003, machine cancelled, equals to the price of a postcard with a special additional print and cachet, mint, sub 3.5.1 above, and the cancellation price equal to CZK 0.30/pc.

6.4.2 The price of a postcard with a special additional print and cachet, issued from October 1st, 2003, until August 31st, 2008, machine cancelled, equals to the price of a postcard with a special additional print and cachet, mint, sub 3.5.2 above, and the cancellation price equal to CZK 0.50/pc.

6.4.3 The price of a postcard with a special additional print and cachet, issued from September 1st, 2008, until December 31st, 2022, machine cancelled, equals to the price of a postcard with a special additional print and cachet, mint, sub 3.5.3 above, and the cancellation price equal to CZK 1/pc.

6.4.4 The price of a postcard with a special additional print and cachet, issued from January 1st, 2023, machine cancelled, equals to the price of a postcard with additional print and cachet, mint, sub 3.5.4 and the cancellation price equal to CZK 2/pc.

7. Envelopes with imprinted stamp, machine cancelled

7.1. Envelopes with imprinted stamp, machine cancelled

7.1.1 The price of an envelope with imprinted stamp, issued until September 30th, 2003, machine cancelled, equals to the price of an envelope with imprinted stamp, mint (equal to CZK 3.60/pc plus the face value of the stamp) and the cancellation price equal to CZK 0.30/pc.

7.1.2 The price of an envelope with imprinted stamp, issued from October 1st, 2003, until August 31st, 2008, machine cancelled, equals to the price of an envelope with imprinted stamp, mint (equal to CZK 4/pc plus the face value of the stamp) and the cancellation price equal to CZK 0.50/pc.

7.1.3 The price of an envelope with imprinted stamp, issued from September 1st, 2008, until December 31st, 2022, machine cancelled, equals to the price of an envelope with imprinted stamp, mint (equal to CZK 4/pc plus the face value of the stamp) and the cancellation price equal to CZK 1/pc.

7.1.4 The price of an envelope with imprinted stamp, issued from January 1st, 2023, machine cancelled, equals to the price of an envelope with imprinted stamp, mint (equal to CZK 10/pc plus the face value of the stamp) and the cancellation price equal to CZK 2/pc.

7.2. Envelopes with imprinted stamp and picture (or additional print), machine cancelled

7.2.1 The price of an envelope with imprinted stamp and picture (or additional print), issued until September 30th, 2003, machine cancelled, equals to the sum of the price of an envelope with imprinted stamp and picture (or additional print), mint (equal to CZK 5/pc and the face value of the imprinted stamp) and the cancellation price equal to CZK 0.30/pc.

7.2.2 The price of an envelope with imprinted stamp and picture (or additional print), issued from October 1st, 2003, until August 31st, 2008, machine cancelled, equals to the sum of the price of an envelope with imprinted stamp and picture (or additional print), mint (equal to CZK 5/pc and the face value of the imprinted stamp) and the cancellation price equal to CZK 0.50/pc.

7.2.3 The price of an envelope with imprinted stamp and picture (or additional print), issued from September 1st, 2008, until December 31st, 2022, machine cancelled, equals to the sum of the price of an envelope with imprinted stamp and picture (or additional print), mint (equal to CZK 5/pc and the face value of the imprinted stamp) and the cancellation price equal to CZK 1/pc.

7.2.4 The price of an envelope with imprinted stamp and picture (or additional print), issued from January 1st, 2023, machine cancelled, equals to the sum of the price of an envelope with imprinted stamp and picture (or additional print), mint (equal to CZK 10/pc plus the face value of the stamp) and cancellation price equal to CZK 2/pc.

7.3. Envelopes with imprinted stamp, picture (or additional print) and cachet, machine cancelled

7.3.1 The price of an envelope with imprinted stamp, picture (or additional print) and cachet, issued until September 30th, 2003, machine cancelled, equals to the sum of the price of an envelope with imprinted stamp and picture (or additional print), mint (equal to CZK 5/pc and the face value of the imprinted stamp), the price of the cachet equal to CZK 0.30/pc, and the cancellation price equal to CZK 0.30/pc.

7.3.2 The price of an envelope with imprinted stamp, picture (or additional print) and cachet, issued from October 1st, 2003 until August 31st, 2008, machine cancelled, equals to the sum of the price of an envelope with imprinted stamp and picture (or additional print), mint (equal to CZK 5/pc and the face value of the imprinted stamp), the price of the cachet equal to CZK 0.50/pc, and the cancellation price equal to CZK 0.50/pc.

7.3.3 The price of an envelope with imprinted stamp, picture (or additional print) and cachet, issued from September 1st, 2008, until December 31st, 2022, machine cancelled, equals to the sum of the price of an envelope with imprinted stamp and picture (or additional print), mint (equal to CZK 5/pc and the face value of the imprinted stamp), the price of the cachet equal to CZK 1/pc, and the cancellation price equal to CZK 1/pc.
